

Terms and Conditions

The Western Design Center Inc. will contact customer via email or phone call within 48 business hours of receipt of order. Quantity discounts are available and will be given where applicable. Delivery is subject to availability. Large orders may require a 16 week lead time. Small orders will be accepted, however, due to the sensitiveness of IC's, those used in hobbyist projects are sold on a non-refundable, non returnable and non-replaceable basis.

Payment Options

VISA or MasterCard are accepted as well as N30 on approval (allow two weeks for this process). Money orders and personal checks accepted for pre-payment. (Please allow sufficient time for check clearing prior to shipment.) International orders require payment in advance, either by a bank draft drawn on a U.S. bank in U.S. dollars, a wire transfer, VISA or MasterCard.

Shipping and Handling

Shipping charges as well as a \$2.95 handling fee will be added to all orders. Orders are shipped FOB WDC Mesa AZ. All duties and taxes to be paid by customer. Sales tax will be added to orders within Arizona. US Orders are shipped UPS ground, unless otherwise requested by customer. International orders are shipped UPS Expedited unless otherwise specified by customer. COD orders are only accepted within the US. A \$15.00 additional charge will be added for this service. Insurance is available if requested by customer at an additional cost.
